

Clay County Transfer Station

2023

This form is for a permit . The first permit will be \$125.00 and Green . A second or third will be \$20.00 and Green also. You must fill out a form for the first and second or third permit and bring in each car for each Permit . The employee will stick the permit on the front window, on the driver side bottom corner only. For the second, third car you must have your registration and address must match the first car. Permits start on January 1st and run through next January 15th of next year . We Do Not Prorate Permits .
